The products, which include a range of tableware, drinking glasses, vases, jugs and ornamental African animals, are all handmade from recycled glass. Made from glass bottles (wine, coke, mayonnaise. to name a few) gathered from all over Swaziland. Not only are the people of Swaziland encouraged to collect the bottles, but Ngwenya Glass works with the local schools to instill in the children a sense of environmental awareness. In exchange for building materials and the sponsorship of the soccer team, the students must participate in roadside clean-up campaigns. Ngwenya Glass uses old engen oil and KFC oil to run its furnace, this is just another way we are trying to preserve the environment.
